Mr. Harry Nihum,

Dear Mr. Nihum,

Since July 8th the residents of Sderot, the south and other cities in Israel have experienced more than four weeks of harrowing and frightening moments, many losses, and trauma which will take time to heal.

In times like these Reut Sderot Association is very lucky to have you as our friend and supporter, Thank you so much for your continued support! Our residents were thirsted for a much needed break from the noise, fear, and anxiety that the current escalation has brought to our region.

All this time the volunteers of the Reut Sderot Association operated and planned activities in safe shelters and daycares for more than 300 children in 3 separate bomb shelters located throughout Sderot. Also, we hosted more than 150 families in guest houses, hostels and fun trips OUTSIDE of the area of fire.

We continue to value our partnership with you, and on behalf of all of Sderot's residents we thank you for your gracious and generous support.

Sincerely,

Yaniv Tzabari, CEO
